March 2nd is Dr. Seuss Day!

*Reading Dr. Seuss books is a great way to introduce rhyming words to your child! What's so great about rhyme? By reading and retelling stories we teach our children auditory discrimination, listening skills, a rich range of language, concentration skills, oral storytelling and poetry skills. Rhyming helps children hear the beginning and ending of words. These smaller sounds help kids to start sounding words out as they read! **Thank you Dr. Seuss and happy birthday!***

Stuffed Animal Sleepover, March 2, 6:30 p.m.

Come in your PJ's with your stuffed animal for a fun book and games then tuck your furry creature into his bed for the night. The animals will stay at the library for a sleepover. Pick them up the next day to see what kind of mischief they got into overnight!
