The Schreiner

Shenanigan

For our younger lifelong learners and their families.

Something amazing will happen this summer. On August 21st, Americans in the continental U.S. will experience a total eclipse of the Sun for the first time since 1979. Plan to be WOWed at the Schreiner Memorial Library, July 13th at 6:30 p.m. **The Great American Eclipse Part 1** will be presented by **John Heasley of Driftless Stargazing LLC**. Our expert will talk about eclipses and demonstrate how to best view this exciting event at our Eclipse Party, August 21st where we'll give away viewing goggles, popcorn and have activities for all ages.
