

# FESTIVAL OF TREES

Lancaster Public Library Foundation will host this year's Annual Festival of Trees. The event will run from November 30th through December 3rd. The Festival will be located at the Schreiner Memorial Library, 113 West Elm Street, in Lancaster.

We are inviting all area businesses and organizations to once again showcase their creativity by decorating an artificial tree, wreath, or other holiday décor for public viewing. The event will be held in the Library. Trees must be set up on November 28th between 2:00PM and 7:00PM, or on November 29th between 9:00AM and 3:00PM. Artificial trees and wreaths of all shapes and sizes are welcome. Please be prepared with all decorations, lights, and cords necessary for your creation. Creativity is encouraged! Hundreds of people tour the Festival each year and will view your décor.

Tree viewing will begin on Friday evening (November 30th) and trees will stay up on public display through Monday evening (December 3rd). On Monday we will host the Festival of Taste event. Trees can be taken down at your convenience by Wednesday evening (December 5th).

There is no fee to display a tree; however, we are asking for donations for our silent auction. Please consider donating your tree, wreath, or items such as gift baskets or gift certificates. All proceeds will go to the Lancaster Public Library Foundation for future programs and projects at the Library.

Please consider joining us and participating in the Festival of Trees this year. Your decorated tree or donated item will serve as great publicity for your organization. If you'll be out of town or won't have time, please contact us for alternative ways to donate or participate.
